**Hooks and Yarn**

**Sandra justdoitplz Kuijer**

Level: Intermediate ( but with patience, perseverance and asking questions when needed, a beginner can manage)

### **Supplies:**

Used Yarn – Scheepjeswol Stonewashed

- 11. x Moon Stone 801 (colour A)
- 3. x Beryl 833 (colour B)
- 6. x Coral 816 (colour C)
- 5. x Red Jasper 807 (colour D)
- 6. x Enstatite 832 (colour E)

Crochet hook : F / 4 mm

A darning needle to secure ends

Scissors

Pins for blocking

### **Instructions:**

- Blocking is absolutely needed on this project! Because of the texture you really need to block several times when indicated. If you use acrylic yarn you might have to block more often. Your work will flatten out if you block it after making it wet (just a little spray with water wont be enough) and use enough pins. If it dries to quick, make it wet again.
- At the end of a round it might say you close the round with a sl.st, sometimes it looks better to use the invisible join method. Feel free to close a round as you see fit
- When you have a tight crochet hand it might be better to use a bigger crochet hook
- Feel free to join our facebookgroup HooksandYarn Amsterdam and ask for help!
